Pro-Switch Pty Ltd confirms that Madison Group Enterprises Pty Ltd has been assessed and found to comply with the Vinyl Council of Australia (VCA) Best Environmental Practice PVC Guidelines v2.0 (BEP 2.0). The assessment was conducted in accordance with the applicable BEP v2.0 requirements, with reference to the Green Star PVC Credit (10 May 2011) and the Auditor Verification Guidance – Issue 2.0 (20 November 2013), where applicable.

The assessment was conducted in accordance with Compliance Pathway 2 – Manufacturer's Declaration and applies to the PVC products and manufacturing arrangements identified in the associated assessment report.

Madison Group Enterprises Pty Ltd is responsible for maintaining ongoing compliance with the applicable BEP PVC v2.0 requirements and for notifying Pro-Switch Pty Ltd of any changes that may affect the verified compliance status of the products covered by this certificate.

The assessment covered the following areas:

- Manufacture of PVC resin supplied to Madison Group Enterprises Pty Ltd.
- Manufacture and end-of-life management of the assessed PVC products.
- PVC recyclate: no claim is made regarding externally sourced recycled PVC content in the assessed products
